WEL COME TO ORBIT INDUCTION

ABOUT US

Established in the year 2002, we "Orbit Induction," are engaged in manufacturing and supplying the wide range of Industrial Furnace Equipment. We are also providing repairing services to these products. Our range of Industrial Furnace Equipment includes Induction Melting Furnace, Water Coolant Pipes, Crucible Blocks, Current Limiting Reactor, Induction Furnace Coil, Heat Exchanger, Furnace Transformer, Induction Furnace Crucible, Furnace Control Card and High Power Diodes, High Power Thyristor and Di/Dt Inductor.

Under the able guidance of our mentor Mr. Mitesh Patel. we have been able to carve a niche in the marketplace. With his rich experience, we have successfully attained a remarkable position in the market.

Empowered by top-of-the-line infrastructure facilities and a team of experts, we are catering to the needs of clients based all across the globe within the stipulated time frame. In addition, we also possess trained and experienced team as well as well established branch offices across India. In addition, we are planning to establish ourselves as an eminent manufacturers and service providers in our industry domain.

Our motto is to provide complete range of quality spares at very reasonable price under one roof. This move has been widely appreciated by our customers as it cuts down cost of purchase procedures as well as time required for follow ups from different suppliers.
